A stylized illustration of a bee in a field of purple flowers. The bee is yellow and black with white wings, flying towards the left. The field is filled with purple flowers and green foliage. In the background, there are rolling hills and a line of trees. A central text box with a dark blue border contains the word "PRESS" in a bold, dark blue font.

Most of my pieces are linocuts and screenprints. I like to mix the two disciplines and often hand paint directly onto the screen to create fluid backgrounds, and print the tighter illustrative linocuts over the top. More recently, I have been hand colouring linocuts with watercolour paints that give a subtler tonal colour.

The background image shows a workshop or studio. Several pieces of paper with colorful, abstract floral and geometric designs are hanging from a rack using wooden clothespins. The designs feature bold colors like red, yellow, pink, and blue. In the foreground, a red mangle machine with two rollers and a hand crank is visible. To the left, a wire mesh basket holds various supplies. The overall atmosphere is creative and artistic.
