Lee likes to work with limited colour palettes and traditional analogue materials. Her favourite tool of choice is the marker pen in all its different guises (...and it will have her heart forever).

PERSONAL BRAND

BONBI FOREST BRAND VALUES

BONBI FOREST by LEE MAY FOSTER-WILSON

Bonbi Forest is about exploring the connections we form with ourselves, with others, and with the world around us. Lee adds a generous sprinkling of visual magic to all her work, evoking a sense of wonder about the world and it's infinite possibilities.

Words play an important part in the brand's identity, sometimes they reinforce Lee's visual messages, and other times they take the starring role, around which other elements revolve. Lee works from her studio in Cornwall, and sells a wide range of products on her website, www.bonbiforest.com.
