Meghan Rader

Meghan combines bold graphic influences with her background in realism. She graduated from the Emily Carr Institute of Art and Design in 2006 and spent several years showing and selling her original artwork before discovering that illustration was her true calling.

MEGHANN RADER NON-FICTION

So how exactly did Frances's house work?
Picture an automatic carwash, with soap suds flying all over the place. Now picture that same carwash in every room of a house!
Frances installed sprinklers in the ceilings to spray soapy water for washing and clean water for rinsing. Then, air jets dried the place off.
